Mrs Haycock

Child Specific Teaching Assistant
(pm)

Mrs Fowles

Welcome to FS2!

We are very excited to see you all in September. We are going to have a wonderful time together by learning lots and having fun.

We will start off our year together with a topic called 'More About Me'. This will give us a chance to get to know you and for you to get to know us! We have lots of lovely activities planned to do this.

Summer challenge!

We would love it if over the holidays you could make a box of things that will help us learn more about you.

This could be photos, a toy, a picture that you have done, something you have collected from holiday, anything at all! Why not find a box and decorate it in your favourite colours! We will look through these together in September.

A tour of our classroom!

We are very lucky in FS2 as we have a wonderful classroom full of lots of amazing and fun things for you to do with us during the day. Why not take a look...

Writing Area

We have a lovely area where you can choose different pencils, crayons and paper to practise your writing!

Reading Den

Come and read stories, poems and information books in our cosy reading den! I wonder which book you will choose?

Maths Area

What numbers can you see? In our Maths area you can use a range of resources to count a number of objects. You can practise writing your numbers on our blackboard wall, make patterns and much more!

Reflection Area

Our reflection area displays the value we are learning about in school. It is an area of quiet time and reflection.

Role play area

Use your imagination in our exciting role play area. Here you will become many things from being Mummy and Daddy to doctors and nurses to outdoor explorers!

Discovery time!

What will you see? What will you make? What will you learn?

Creative Area

Here you can use paints, collage, do some cutting and sticking and much more!

Computer and listening area

Listen to stories, music and songs at our listening centre. Play a range of games on our computer!

Outdoor learning

We have a gorgeous outdoor area where you can go out in rain or shine! Outside you can play in the sand, water, use our bikes, investigate the mud kitchen and much more!

We hope you've enjoyed looking at
your new classroom.

Have a wonderful summer holiday!
Stay safe, have fun and we will see
you in September!

From the FS2 team 😊
