

Welcome to St Margaret's Nursery

All the children that come to Nursery wear a smart uniform.
Nursery children wear a special St Margaret's jumper and polo
t-shirt. Don't they look smart?

You will have your own coat peg where you can hang your coat and a draw string bag.

This is our reading area; You can make yourself comfortable and look at all the interesting books that we have. We have a listening centre too, you can listen to audio stories.

We have a messy play area where you can explore different textures. You can paint independently at the easel and play in the water and sand trays .

Every day at nursery you will have a snack. This is usually a piece of fruit and a choice of water or milk.

On special occasions we sometimes have opportunities to try a different snack. For example, biscuits or birthday cake!

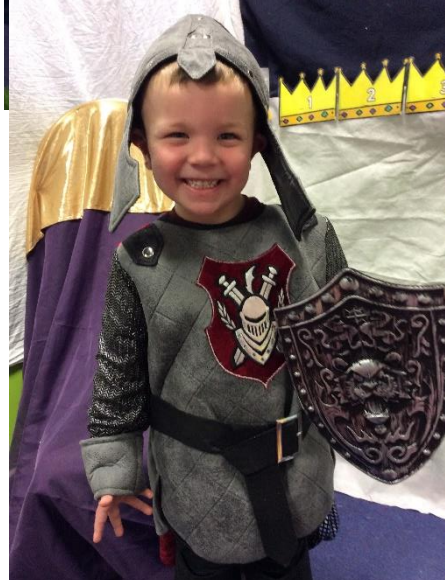

We have a computer in Nursery which you can play learning games on. We have programmable bee-bot toys too.

At Nursery we have a tuff tray, where you can play with lots of different small world toys.

In nursery we are lucky enough to have our own role play room. There will be lots of opportunities for role play and dressing up. You will be involved in assemblies and productions.

We have an outdoor playground with a big climbing frame, an investigation station, a mud kitchen, a bug hotel and lots of opportunities for planting. You will need to bring your own pair of wellington boots to wear outside, as we will get muddy!

*Most importantly when you come Nursery you will learn lots,
have fun and make new friends. We can't wait to meet you!*

Morning Nursery Staff

*Miss Cerfontyne
Class Teacher*

*Mrs Fowles
Teaching Assistant*

Afternoon Nursery Staff

Mrs Govier
Teaching Assistant

Mrs Cridland
Teaching Assistant

Miss Haycock
Teaching Assistant
